Huddle House Emporia Wins First Place for the "Best of the Best" Award

We always knew we were #1, but now we really are! After being awarded the title of "Best of the Best" in our region, **Huddle House Emporia has been named First Place among 410 Huddle House restaurants nationwide** – based on Quality, Service, and Cleanliness evaluations.

What's more, **Parker Oil Company has been named "Operator of the Year" for Huddle House!**

As "Best of the Best," Emporia's Huddle House received \$5,000 for winning Regionals and an additional \$10,000 for winning Nationals, making the final winning amount **\$15,000**, to be split amongst the employees of Huddle House Emporia.

Thank you to the hardworking and diligent staff of Huddle House Emporia, under the leadership of General Manager Robert Everidge! We sincerely appreciate everyone's support and patronage!

Great Customer Service Makes All the Difference!

Lots of companies say they offer "customer service," but that could mean just about anything ... except real customer service!

At Parker Oil Company, great customer service means ensuring **true comfort ... real peace of mind ... and terrific value.**

And behind all of that is **the best team there is.** We think we have the most courteous, knowledgeable technicians and customer service

representatives in Southside, who can resolve any problem to your complete satisfaction.

Above all, we feel that great customer service isn't about account numbers ... house numbers ... or equipment model and serial numbers ... but about finding **custom solutions for each individual's real-life needs.**

Great customer service, however, depends on having great customers – and we couldn't have done it without YOU!
Thank you for your business!

Get a Plan ... a Budget Plan

Heating season is nearly here – time to take control of your fuel bills with Parker Oil Company's budget plan.

Rather than pay the bulk of your heating costs when it's the coldest, as many customers do, our **budget plan customers spread their heating costs over 10 equal monthly payments.**

This program is **absolutely FREE**, and, if you use both heating oil and propane, you can combine both fuels in one budget plan. **To enroll, call 434-447-3146 or [click here to visit our website.](#)**
