

Propane Enhances Your Outdoor Fun

Thanks to Parker's propane experts, **outdoor fun can become even "funner" this summer.**

A propane **fire pit, chiminea and patio heater** are great for chilly evenings in the yard ... and a propane-fired **pool and hot tub heater** let you extend your summer fun into fall. And nothing beats a delicious meal cooked on an outdoor **gas grill**. **Parker's experts can hook up your propane appliances to your tank, and deliver the fuel right to your home.** Call today for details about Parker propane.

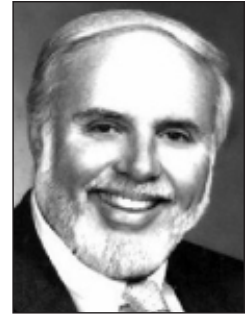

Our Services Go Way beyond Fuel Delivery

Fuel delivery is an essential part of our mission at Parker Oil & Propane, but we do so much more.

- **Efficiency tests** that explain where your energy dollars are going ... and the steps you can take to save
- Installation of **ENERGY STAR®**-rated heating and cooling equipment, which can **lower energy bills by up to 30 percent!**
- Installation of **auxiliary heating equipment** such as gas log fireplaces and gas stoves
- A **full range of commercial services**, including heating and cooling installations and repairs, branded and unbranded gasoline, diesel, biodiesel, heating oil and propane

And there's so much more! **To learn about ALL our products and services, click on our home page and explore the links on the left side.**

Carrying on Lewis Parker Jr.'s Legacy

The former president of Parker Oil, Lewis W. Parker Jr., passed away on January 29 at age 82. He lived a full life as a family man, businessman, politician, and a leader in the Virginia oil industry. Our family appreciates the warm words and thoughts that so many of you have extended to us.

Charles F. Parker on the left and Lewis Jr. on the right, at the big 75th anniversary celebration

Lewis was instrumental in the growth of Parker Oil, which his father Lewis W. Parker Sr. founded in 1935. Under Lewis Jr.'s leadership, we became one of the largest oil distributors in the region and diversified into some of the new enterprises that define our company today.

Lewis was also active in several business and service organizations, but he might

be best remembered as a member of the Virginia House of Delegates from 1973 to 1994.

The community of South Hill named Parker Park in his honor, and he was also marshal of the Christmas Parade.

He is survived by his wife Carol, and many beloved family members.

Keep Us Informed So We Can Help You Save

If your heating or cooling system seems to be using more energy, please give us a call. We'll conduct a free evaluation of your home comfort equipment. Also, let us know about any home improvements that might affect your energy use, such as a home addition, added insulation, or new doors or windows. And don't forget ... lifestyle changes, such as a family member moving in or out, a new baby or a different work schedule may mean a change in your energy usage.

**Please give us a call today and bring us up to date!
You might see a very nice reduction in your energy costs!**
